CALENDAR/ATTENDANCE POLICY/ACKNOWLEDGEMENT

You have my permission to contact me at the below e-mail address regarding important information about choir events. I further indicate by signing this form that I have received and reviewed a calendar of required choral activities for the school year. I further agree to the following statement from the syllabus pertaining to performance grades. ****This is a “Co-Curricular Performance-Based Music Class” meaning that all of the work done in class culminates in a public performance outside of the school day. If a student misses a performance for ANY reason, the maximum points they can earn by doing a make-up assignment will be 75/100. The only absences for which a make-up assignment will be given are serious student illness or death in the family. This will be strictly enforced, so please pay attention to the “required for a grade” dates on the calendar and here in the syllabus.**
