

Marching Griffins Season Video 2009

Relive the memories. Relive the passion.

The Lincoln-Way East Music Department is proud to announce this year's
Marching Griffins Season Video.

Included is video from:

Rehearsals	Performances
Parades	Band Camp
Portions of Talent Show	Season WebCasts
Senior Memories	Photo Montage

And much more....

Each video will come complete with full menus, a custom designed case, and is professionally duplicated and packaged.

Also available this year is the option to purchase your video in Blu-Ray. Blu-Ray offers a true high-definition experience, with quality up to six times the resolution of a standard DVD. Experience your season video in crisp, clear video, along with stunning audio quality. (Note: All Non-LW Footage is Upscaled to HD)

We understand that Blu-Ray is still relatively new, and not everyone has been able to upgrade to high definition equipment. If you purchase your video in Blu-Ray, you will receive a complimentary copy on DVD as well. This allows you to purchase for the future, and still be able to enjoy your video now.

All videos ordered by April 1, 2010 will be available for pickup at the Annual Band Banquet in May. Turn in order forms to the blue mailbox.

Any Questions? Contact Eric Nush: enush@lw210.org
