

No Fly Check-in and Check-out

Pre-trip

During finals week, please see Dr. Johnson to pick up your Bob Rogers travel bag. This is the bag we ask students to use in the parks because it is easily identifiable. Although it's not required, we would like everyone to have one.

You will still need to check in your medications (if needed) before the trip. It is far easier for us to have those organized before departure. If you cannot be there are luggage check-in on the 27th, you can do it on the 22nd at 7p.m. If you need alternate arrangements, please let me know.

We ask that all parents help us by ensuring your student's luggage does not contain any prohibited items since we are not able to inspect it before departure. This means no liquids (other than toiletries), game systems, items prohibited by the school, etc.

January 1

There are options for you to drop off your student and luggage on this day.

You can meet us at the Rosen Center at 10am. We will store the luggage and the student can travel with us to Disney Springs.

You can meet us at Disney Springs at 11:30a.m. (our approximate arrival time). Luggage will need to be stored on the bus in the parking lot.

It will probably be easiest to have everyone meet us at Rosen Center, but we can do either way. Please let me know when you will be meeting us and how you are taking care of luggage drop off. If you need to contact me that day, my cell phone is 708-308-9007.

January 6

We are leaving for breakfast at Animal Kingdom at 7 a.m. We will have all of the non-flyers place their luggage together under the motor coach (all students will have their luggage with them this morning as we are not returning to the hotel).

You can meet your student at 3:30p.m. outside of the gates of Animal Kingdom. You will check them out with a chaperone and retrieve their luggage, instruments and any other belongings from the bus. We need everyone picked up as close to this time as possible, as the buses will begin loading for the airport shortly after this.

If you have any questions, please let me know.
